

LESSON CHALLENGE FORM

Alpine School District
Elementary Media Training Modules

NAME _____

SCHOOL _____

How to Submit Challenge Documentation:

1. Determine if you are to challenge with University Credits, Work Experience, or Previous Training.
2. Define each MODULE or LESSON to be challenged by reading OBJECTIVES at the beginning of each lesson.
3. Using the form(s) below, briefly document how you have met each Module/Lesson.
4. Attach all required documentation to this coversheet form after completing all requested information.
5. Submit to AIMC Mentor for evaluation of your CHALLENGE.
6. If you use College Credits, submit a separate form for each MODULE you are CHALLENGING.
7. If you challenge with Work Experience or Previous Training, submit a separate form for each LESSON.

To Challenge Lesson Modules with University Degrees and/or Credits:

1. Those with an Associate Degree in Librarianship will be considered fully trained in Alpine School District's Elementary Training Modules 1 – 9. Those who wish this exemption will provide evidence of the degree and will complete the required technology training.

_____ College Credit(s) Institution _____

Degree _____

All appropriate College courses will be matched to like objectives in the Elementary Training Lessons when evidence of course completion is provided. No maximum limit is set for lessons challenged using College credits.

2. Those who have taken university courses which have provided training in the field librarianship may challenge modules within Alpine School District's Elementary Training Program. Those who wish this exemption will provide evidence of course(s) taken.

_____ College Credit (s) Institution _____

Course _____ Module # _____

Lesson(s) _____

Briefly define evidence of learned objectives from lesson(s):
